

California University of Pennsylvania license plates are here!
What better way to show your Cal U pride?

The Cal U license plate can be yours for a required contribution of \$44.00. We are pleased to announce that \$20 of this amount is a 100 percent tax-deductible donation that will be used to help fund the California University of Pennsylvania Alumni Association Scholarships. Last year, 20 students were awarded \$1,000 scholarships through this fund.

The plates—featuring the Cal U logo in red—are available to any driver within the Commonwealth of Pennsylvania, including students, alumni, faculty, staff, and friends of the University.

To order your Cal U license plate application today, simply contact the Office of Alumni Relations at dean@cup.edu.
