

CALU**Welcome Center**

The old saying is "Seeing is Believing!" We would love to have you visit Cal U and *SEE* all of the "world class" facilities and opportunities available. See why the Princeton Review rates Cal U one of the top universities in the northeast again for 2008/09.

HOURS OF OPERATION:

Visits can be scheduled through the University Welcome Center Monday – Friday at either 10:00am or 1:00pm.

All visits include a tour of campus and a meeting with an Admissions Counselor. Please plan on spending approximately 2 hours and 30 minutes.

To schedule a visit please contact Tammy Clark (clark@cup.edu) or Janice Stirling (stirling@cup.edu). You can also call 1-888-412-0479.
