

**FORGING
THE FUTURE**
The Vulcan Scholarship Drive

President Angelo Armenti, Jr. has launched **The Vulcan Scholarship Drive** as a unique way to create an endowed scholarship in every academic department, athletic program, and selective student activity to address one of the University's most critical needs. Our team, the Bills, is collecting favorite recipes from California University of PA's administration, faculty, staff, students, alumni, and community to be published in an easy to use cookbook available on CD and paperback!

Please send your favorite recipes by visiting the following website www.cup.edu/education/acaddev/index.jsp. Click the link Vulcan Cookbook to print or type your favorite recipes on the provided Recipe Collection Form. Deadline for recipe submission is May 19, 2006.

****Note: Submission of recipes is welcomed and does not obligate you to purchase a cookbook.***

Forging The Future Vulcan Cookbook (under \$20) will make great gifts. Since your recipes will be published, this cookbook is a treasured keepsake that will be enjoyed by your family and friends for years to come. Please reserve your copy today!

Deadline for cookbook reservation is May 31, 2006.
